No wonder teachers are losing control if this is what they have to put up with – nubile 20-somethings tormenting them with wobbling boobs and pumping arses when they're trying to brush their mortar boards, think of horrible detention tasks and discuss when they're next going to go on strike. Looks like everyone's out already, NUT!

Flashing through the snow

The day after Christmas, I awoke to find several inches of snow had fallen and I eagerly awoke my husband Tim.

I'd always fancied having my photos taken in the snow and now was my chance. We knew our neighbours were away but were unsure when they were due back.

They were a couple of blokes in their thirties who were renting while they worked in Leeds. I hadn't spoken to them, but I did think one of them was gorgeous.

I dressed in my open cup bra and just my stockings, suspenders and ankle boots. It was freezing and after several poses I came in to get warm.

Tim poured me a large brandy which I drank in one go. I felt it warm up my body and my clit started to throb as I got horny.

The last shot was of me on my hands and knees and when Tim had finished I made a grab for his flies and unzipped him. His cock was still soft but after a few seconds of sucking he had a major woody. Suddenly he gasped that someone was coming, but I misheard and prepared for a mouthful of spunk.

I froze when I heard a loud cough and looking round I saw our two neighbours looking at me open-mouthed.

They did not seem too happy at what they saw so I hurried inside leaving Tim to try and stuff his boner into his jeans.

He stayed outside and tried to apologise to the two blokes and then he came inside looking stony-faced. I thought maybe the police were getting involved.

Then Tim told me the men wouldn't complain as long as they could watch another photo shoot.

I readily agreed and told Tim I hoped it would go much further. This seemed to please him very much.

I dressed in my red basque and put on a Christmas hat while Tim went down to fetch the guys. We had a couple of large drinks before I got down near the tree and started to pose while Tim snapped away.

I slipped out of my basque to reveal my big tits and I noticed tell-tale bulges in the blokes' jeans.

My nipples were quite erect, but Tim suggested Shaun and Dean give them a good sucking to get them even harder.

They were off the settee in a flash and I was soon moaning in pleasure. Tim put a cushion under my head and as I lay back I felt their hands exploring my pussy.

As Shaun fingered my wet hole, Dean played with my clitty until I came with such force that my screams startled them both.

I was desperate to feel some cock in me and I made a grab for both the fellas' cocks. Shaun's was just how I imagined it - nice and fat and long.

Although Dean's cock was quite long, it was very slim and

DIRT CHAMBER

You might find the title off-putting – after all you never ask to see the dirt chamber when you go round to someone's housewarming – but for those in the know it's a signifier of Tanya Hyde quality. That means lots of arse play and disturbing, edgy sex scenes that leave you shaken, perplexed, and very very erect. Harmony have outdone themselves here, splicing scenes from their horniest features, *Maison Erotique*, *Kinky Bitch* and *Sex Maniax* to create a monster-sized seven and a half hour long sex epic! In that time, you could have a wank, fall asleep, have a shower, have another wank, do your weekly shop and grow a moustache. It's got to be great value! From your local adult store.

a wicked smile spread across my face as I thought where that one would be going.

Dean must have read my mind as he said he would love to fuck me up the arse. I positioned myself on the floor and lifted my arse in the air for Dean to fill.

> "Taking his monster in my mouth, I gave him the blow-job of his life"

I took Shaun's monster in my mouth and started to give him the blow-job of his life. I gasped as Dean thrust into me then screamed with pleasure as Tim slid under me and lapped my cunt.

My orgasms were coming frequently and I was in heaven until I felt Dean suddenly start thrusting harder before his cock stiffened and flooded my arse full off his spunk.

He pulled out of me as Shaun gasped and, pulling his cock out, wanked into my open mouth. I savoured and swallowed all of his spunk.

They had a short rest before I sucked them both back to life while Tim fucked me slowly doggy-style.

This time, I sucked Dean all the way while Shaun sent me into raptures with his large cock. I lost count of the number of times I came before he shot his cum deep inside me.

The country code breakers

I have been a member of my local camera club for about fifteen years and it was through this that I met my wife Donna.

She had originally joined as a member but had been persuaded to act as a model when we had been let down. We often go out into the countryside to take photos together.

We recently spent a lovely afternoon taking pics in some fields near our home. It was during our session that my wife noticed somebody standing on the edge of the field watching us.

I could see she was very excited by this because normally she just does 'arty' poses, but this time she seemed to be getting more and more adventurous.

She began flashing her knickers and pulling the top of her dress down to expose her nipples. I certainly wasn't going to stop her and I continued snapping away.

When we looked again we saw that the man had moved closer and was now only about twenty-five yards away, although he was still standing behind a hedge outside the field.

Imagine my shock when my wife suddenly stood up and beckoned to him to come over and join us. He came straight over, pausing to tether his dog

> **"He aimed his cock at her clit and pumped hot sticky cum over her sensitive bud"**

to the stile.

He was in his early twenties and introduced himself as Grant. Then he settled on the grass to watch the rest of our photo session.

Of course having an audience was just what Donna wanted. She got more and more explicit in her poses, pulling at her nipples to make them stand out.

Then she removed her knickers altogether so her pink pussy was exposed to the sunshine. I had a huge hard-on which I was desperate to do something about, but Grant beat me to it!

He leaned over and started to lick Donna's nipples while stroking her thighs. She relaxed against him and let her legs flop open to show her pussy glistening with juice.

I couldn't resist getting between her legs and licking her swollen clit, flicking it with my tongue and pushing my fingers deep inside her.

When I looked up I saw that she had Grant's dick in her mouth and was frantically sucking him off. This was too much for me and I released my own cock from my jeans.

I knelt on the other side of her, offering my dick to suck. For a while Donna sucked us both off, taking it in turns to stuff her mouth with our swollen cocks.

Then Grant moved down her body and parted her pussy lips so he could push himself up her slippery cunt. The sight of my wife being fucked by someone else was incredible.

I started to cum in jets of spunk, totally covering her face and throat. Then I saw her stomach tighten and knew she was reaching orgasm.

I covered her tits with my hand and squeezed her big hard nipples between my fingers. Grant's breathing sped up and suddenly he withdrew, making Donna gasp.

He aimed his cock at her clit and pumped what seemed like gallons of hot sticky cum over the sensitive bud.

She orgasmed just from the touch of his jets on her clit, but I reached over and rubbed it furiously, sending her into a back-arching spasm of intense pleasure.

The seven dwarves were all naked in bed, feeling happy. Then Happy got out of bed, so they felt Grumpy instead.

MY WIFE AND I WENT TO HER SCHOOL REUNION AND WERE SAT TOGETHER AT A TABLE WHEN I NOTICED HER STARING AT A DRUNKEN BLOKE OVER THE OTHER SIDE OF THE ROOM. "DO YOU KNOW HIM?" I ASKED HER. SHE NODDED, "YES, HE'S MY OLD BOYFRIEND. I'D HEARD THAT HE STARTED DRINKING RIGHT AFTER WE SPLIT UP AND APPARENTLY HE HASN'T BEEN SOBER SINCE." I REPLIED: "FUCK ME, WHO'D HAVE THOUGHT HE'D HAVE GONE ON CELEBRATING FOR SO LONG?"

A doctor and his wife are having a huge argument one morning and he storms out of the house to work, yelling the words, "Yeah, well you're not so hot in bed, either!" By mid-morning, though, he begins to feel guilty so he tries to phone her, only to hear it just ring and ring. He tries for a second time and finally his wife answers. "What took you so long to pick up the phone?" he asks. She replies, "I was in bed." The doctor is surprised, "Why are you in bed this late in the day? Are you ill?" "No," his wife answers, "I was getting a second opinion."

TRUE CON

TRIM YOUR QUIM AND GET SOME VIM! A RAZOR IS OFTEN THE ANSWER TO LIFE'S PROBLEMS

I've been going out with my current boyfriend, Marcus, for about a year, now. He's absolutely brilliant in bed, but can be quite demanding sometimes. Fortunately, he's also very attentive to my needs, and loves stroking and touching me. But over the past few weeks he started asking me if I had ever considered shaving my pubic hair.

I've always had quite thick pubes, but it had never even crossed my mind before. Men always seemed more interested in the rest of my body, particularly my boobs (definitely my best feature), which are quite large at 32D, and don't sag an inch.

Marcus has certainly had his fair share of fun with them, and I'd always thought he was a tit man. But his interest in my pubes has certainly caused one or two discussions!

Marcus told me that my bush covered my fanny completely, and that getting the odd flash of my pussy as I walked around the bedroom or whatever was quite a turn-on for him.

So, last weekend while Marcus was out shopping, I got up and ran myself a bath. As I'd already bought a new razor, the next step was to trim my pussy. Until I sat down cross-legged with the mirror between my legs and a pair of small scissors, I didn't realise just how hairy I actually was down there. No wonder Marcus wanted me to shave; I'd really let things go!

Snipping away at the mass of hair between my legs took longer than I thought it would, and once I was finished, I knew I'd reached the point of no return. After a long, leisurely soak in the bath, I sat on the edge of the tub and rubbed foam into my stubble. Then, taking a deep breath, I ran the razor over my pubic mound and looked at the bare, pale skin it revealed. Wow.

After a few strokes, I began to get into the swing of things, to the point where I enjoyed watching my pussy skin slowly emerge from the dark, stubbly forest.

After a few minutes, my pubic triangle had vanished, and I inspected my handiwork. Contrary to what I'd always thought, my pussy lips were actually quite small and neat, and I was quite excited by the view I now had. I was finally beginning to understand what Marcus was going on about.

Unfortunately, I now had to try and shave the area between my pussy and bum hole, which proved to be a lot trickier than I'd thought! Razors aren't really designed to fit into cracks like that, and I ended up standing with one foot on the bath and one on the floor with my head virtually between my legs so I could see what I was doing. After a few strokes, I reached behind myself to check there were no stray hairs. The skin was incredibly sensitive, and I couldn't help but slip a finger between my pussy lips and into my surprisingly wet hole. A few splashes of bath water later, and I was completely clean shaven.

I stood in front of the full mirror in the bedroom to get a better view. My tan might have faded, but my bikini line was still

FESSIONS

whiter than the surrounding skin. I turned around and bent at the waist with my arse towards the mirror, and inspected my cunt and bum. It sounds vain, but just looking at my freshly shaven pussy made me horny.

I slipped a hand between my legs from behind, still watching myself, and opened my pussy lips up. Seeing myself like this was like looking at another woman, and I'll admit that I found it quite kinky. My juices glistened inside my fanny, and my forefinger wormed its way inside and slipped deep into my hole. I felt like a filthy lesbian voyeur doing this!

I used my fingers on my shaven snatch, rubbing my clit with my thumb. My genitals were incredibly sensitive, and just stroking my swollen nub brought me teetering to the brink of orgasm. Watching my bare cunt in the mirror as I finger-fucked myself finally sent me over the edge, and I came harder than I had done on my own for absolutely ages.

When Marcus let himself in, that's exactly how he found me: lying naked on the bed, my bare pussy exposed to his gaze the moment he walked in the door. He didn't even speak; he just stripped off and buried his face in my wet mound. The sensation of his tongue rasping across my skin was just incredible, and when Marcus started licking me from my bum hole up to my clit, I was in heaven. I must have cum on his face three times before I had to beg for mercy! The skin was so sensitive that I was on an 'orgasm plateau', and the slightest movement of his tongue on my clit was enough to make my legs shake!

I rolled over on the bed and eased a pillow under my tummy, raising my bottom and opening my legs to him. Marcus straddled me, and as he took his weight on his hands on either side of me, I felt his cock head pressing against the entrance to my slippery hole. It was hot and hard, completely different to the way it normally felt when it was cushioned by my pubes. I came the moment his prick stretched my pussy open, and kept cumming as Marcus fucked me in long, slow strokes. When he started to increase his speed, I had to ask him to stop. I just couldn't take any more.

Disappointed, Marcus rolled off, but I had a better idea. "Wank yourself off over my shaven cunt and arsehole," I instructed him, dirtily. He grinned, and moved back between my legs. I could just about see him in the big mirror, his fist pumping on his meat as he knelt between my thighs. I reached behind me and pulled my arse cheeks apart, so that he could aim for my most private parts. It didn't take him long. I heard him grunt, then felt the impact of his spunk against my bum hole followed by it trickling down my crack and over my pussy lips. I felt like a real slut, and wanted to prove it to Marcus, so I reached down and scooped up a few dollops of his cum and then sucked my fingers clean. Needless to say, I haven't let my pubes grow back since then, although it did take a day or so for my skin to settle down so that we could fuck properly!

All aboard the fuck truck

> **"He finger-fucked me till I came while the other chap sucked my erect nipples"**

Late one Friday night I was on my way home from a night out with a couple of friends. We had been out to an underwear and sex toys party and I was quite horny – dripping wet in fact!

I dropped my friends off and headed for home. Half way there I could feel my car pulling left. I pulled off the road into a truck stop on the side and got out of the car.

I was only wearing a black leather top with see-through front, no bra, a short red skirt, a black leather G-string and black lace hold up stockings.

I looked around and saw there were four trucks parked there. After a few seconds a couple of drivers came over to see if they could help me.

When they saw what I was wearing they started wolf-whistling. Then the other drivers came over to see what was going on and they stood around me.

One asked what a tart like me was doing in a place like this. I told him I thought I had a flat tyre. He said he'd change it for me so long as I paid him in kind.

I laughed but he wasn't joking. This was one of my fantasies – to be fucked by a load of dirty truckers. I was a little scared but excited by the possibility of it.

One driver grabbed my arse and said he'd like to fuck me in the back of his truck. He slipped his hand up my skirt and into my G-string. I was so horny I didn't try to stop him.

He shouted to his mates, "This bitch is soaking wet!" Another one grabbed my huge tits and told them all I needed a good fucking.

The first bloke still had his hand down my G-string and was giving my pussy a good rub. He finger-fucked me till I came while the other one sucked my erect nipples.

The other four blokes watched for a while, but I was so horny I was ready to take them all on. They began to push me from one to the other, touching me all over.

They kissed me, fingered me, sucked my tits and licked my dripping wet cunt. I came so much it was running down my legs. It didn't run far – they lapped it up and rubbed it over my tits.

"Six big truckers made me lick every trace of cum off their thick meaty knobs"

It felt so good and the smell of diesel was really making me horny. When they had finished handing me around they ripped off my leather top.

Then they cut my leather G-string off, bent me over the bonnet of my car and fucked me one by one. I had never had so much cock up me – I loved it.

When they were finished doing me over the bonnet they carried me to one of their trucks. I lay on my back and they started all over again.

I had cocks in my mouth, they fucked my tits and my pussy. One trucker even had his finger up my arse, which felt strange, but good – it made me even hornier.

They came in my mouth and over my tits, rubbing it all over me with their big hard cocks and making me lick every trace of cum off their meaty knobs.

I had two fucking my mouth while one fucked my tits and the other licked my wet cunt as I tossed the remaining two off.

I had six big diesel-smelling truckers all at the same time. They'd regularly change places and this went on for hours before eventually they let me clean up and go home.

They changed my flat tyre for me and off I went. I never saw them again but I will never forget them or that night.

ELLA

Devon knows how they make her so creamy – beach bum Ella poses on Blackpool Sands and exposes the lot. She's getting her own temperature rising, not to mention everybody else's. "I've always been comfortable with my own body," the 22-year-old receptionist sighs. "But I'm also very comfortable with other people's!"

Sadie & Nathan

“My knickers went see-through and clung to my dripping folds”

My husband and I have been married for five years now, and although most of that has been happy and we still love each other deeply, I have to admit to being a bit bored. I find myself knocking about the house, waiting for my hubby to get home from work. It stands to reason, therefore, that our sex drives have become completely out of sync – he’s satisfied to make love once or twice a month, whereas I would fuck every day, if I could!

A solution to our problem seemed to present itself when a bloke called Nathan moved in next door to us. I fancied him the second I saw him; he was in his early thirties and dressed in black jeans and a white vest, which showed off a pair of nicely muscled upper arms – my weakness where blokes are concerned. I actually mistook him for a removal man at first, as he was carrying stuff from a van and into the house. Perhaps I wouldn’t have come on so strong if I’d known I was going to have to live next door to this bloke, but as it turns out I’m glad I did.

My husband was at home, it being a Saturday, so I let Nathan introduce himself over a cold beer in our kitchen. Obviously nothing happened that first time, but as we shook hands and he shot me a sexy grin, I certainly felt there was a spark. I bided my time and got the perfect chance to make my move a couple of weeks later.

Nathan was up a ladder doing some painting, and I asked if there was any chance I could possibly borrow it for ten minutes, to clear a blocked gutter. As I’d hoped, he was a gentleman and did the job for me, then came into my kitchen for a drink.

His hands were dirty, so I turned the tap on for him as he stood by the sink to wash them. On purpose, I turned it a bit too hard, so it splashed everywhere and soaked the pair of us. Nathan wasn’t bothered but I squealed, yanking off my dressing gown in mock surprise, so he’d see me in my short, silky nightie. He couldn’t help running his eyes appreciatively over my still-fit body (thank God I’d continued with those weekly tennis lessons, after all!) and I took that as a sign that I should go in for the kill.

I got him a beer from the fridge, but before handing it over I presumptuously licked the expanding foam off the top of it, and gave the rim of the bottle a little suck. Not subtle, but we’d gone beyond that. He took a swig then put it down the table, then swept me up off my feet. He carried me around the kitchen – I had my legs wrapped around his waist – until we reached the edge of the sink, where I perched my arse. He pulled my nightie up and off over my head, nuzzling my body as he exposed it. Turning the tap on, he started splashing me with water, rubbing it all over my tits and nipples to get them hard and slippery. I was soaking wet when he stuck his face in between my globes, and started shaking it from side to side, his stubble scratchy against my skin. This was only something I’d seen done in pornos and it thrilled me to my core.

Soon my pale-pink silk knickers were absolutely dripping – with my juices as well as the water – so they went see-through and clung to my folds. Nathan kissed and licked me through them before peeling them down and off my feet, enjoying how they stuck to my skin and needed to be peeled free of my slit.

I had my legs up over his shoulders as he tried to lick me out, but kept thinking I was going to topple arse-first into the sink, so instead he bent me over a work surface – I had put on a pair of sexy high heels knowing my legs looked great in them, and was glad I had when he sat on a chair to eat me out from behind. I hate to say it, but when my husband goes down on me it feels like a duty, like he only does it to get his dick sucked, but Nathan got stuck in like he could have done it all day. He used his hands to pull my arse cheeks and pussy lips wide apart, then buried his face between them, plunging his tongue in deep and diddling my clit with his fingers until my legs went to jelly.

I'd already cum when he stuck two fingers up my hole and started working them in and out, asking me did I want to fuck. I groaned yes, feeling heady with anticipation, and he stood up, cupped my tits from behind and pulled me down to sit on his lap. He'd already got his cock out so he could have a sneaky wank as he licked me out, and now he guided it to my twat, so it disappeared up me as I sank down.

It was one of the horniest fucks I've had in my life, so deep and grinding. Nathan splayed my legs as wide as I could

handle, and tipped me forward, angling my hips back towards him. Then, as he ground into my pussyhole, he reached down to grab his balls and rubbed them gently against my clit. I took over, massaging them against my wet slit, as he went back to my tits, squeezing tight and pinching my hard nipples, sending little sparks down to my crotch.

We fucked like that for ages, but Nathan couldn't really thrust hard, so I got back on the work surface, facing him this time. He had a good suck and nibble on my nipples as we got back into the rhythm of fucking, then he just watched as my boobs jiggled and bounced as he slammed in hard and deep. I swung my legs back around his waist, my high heels pressing against his arse to gently spur him on, and soon he was groaning that he was on the point of cumming. He wanted to pull out and spunk on my tits, but when I tightened my legs and fanny muscles around him, he just kept going and finally lost his load deep inside me. I made sure he sort of got his way, though, because when he pulled out of me, I scooped big fingerfuls of spunky juices out of my cunt and rubbed them all over my tits. This obviously did it for him, as he shot me this really sexy grin, before licking his own cum up into his mouth and sharing a jizzy kiss with me! It was quite possibly the horniest and filthiest moment of my life… And I absolutely loved it!

"I scooped the spunky juices out of my cunt and rubbed them all over my tits"

We've been screwing each other on and off since then. Nathan is self-employed, so it's not hard for him to skive off for a quickie – or more – every so often. He and my husband actually get on quite well and I fantasise about my other half announcing one day that he'd love to watch me get a fucking from another man. I don't reckon that's likely, though, so it's mine and Nathan's little secret for the time being. I like to keep pushing our luck, though, just to make sure things stay exciting!

The riskiest thing we've ever done was one night, in the early hours, when I couldn't sleep. I sent him a text saying that he'd left his van lights on, and he came out to find me waiting for him, desperate for a shag.

He'd actually invited a date back that night, so we ended up screwing on a sleeping bag in the back of the van. It was fast and

furious, Nathan's prick ramming up my hole so hard he was virtually spanking my arse with his crotch, and when he came it was like his spunk exploded out and filled me up.

When I finally returned indoors, I somehow managed to coax my husband out of sleep and into fucking me. I'm not proud of the fact I'm cheating on him but it gave me a bit of a dirty thrill, knowing I was taking a load of spunk from two different men within the same hour. And I could help but wonder if Nathan's date sucked his cock and realised that she was lapping up another woman's juices off it…

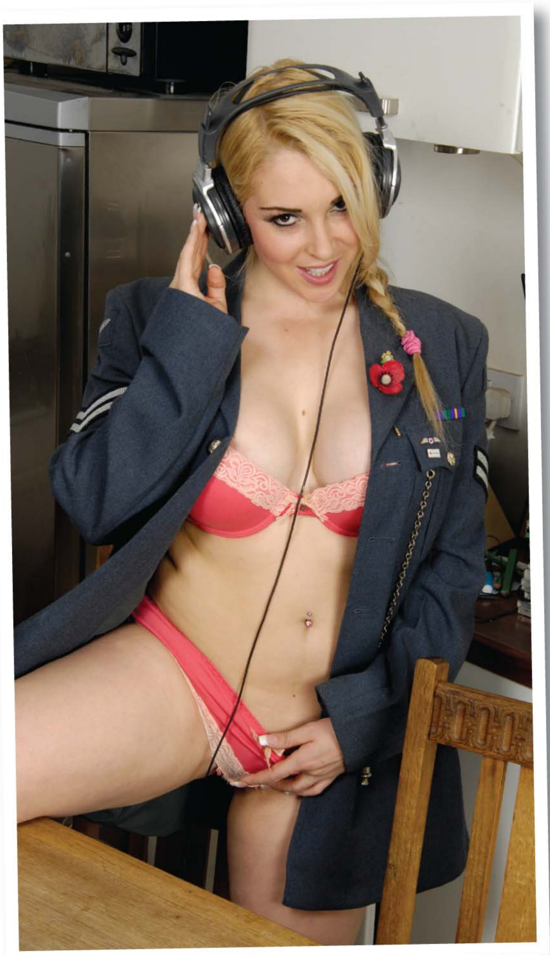
JASMINE

Jasmine's exotic looks, sultry demeanour and luscious lady-lumps have won her admirers across the country, not least in her home town of London. "People always used to check me up and down but now they know what a filthy sort I am they actually dare to come and chat me up. I enjoy the attention – and the odd cock!"

TRUE CON

DOWN IN ONE! BOOZY FLOOZY RUTH GETS LIQUEUR-ED OUT



My boyfriend and I have been together for seven months, and we've tried just about everything when it comes to shagging. From reverse cowgirl to standing, from outdoor danger sex to the mile high club, nothing seemed new anymore, until we started playing around with different types of food and drink, *à la* 9 ½ Weeks.

Iain started it all when he decided, one day, that it would be a good idea to go down on me with an ice cube clamped between his teeth. After stiffening my nipples and teasing my body with it, he ran the freezing lump slowly across my clit, smiling as my pussy immediately spasmed – a sign, in his eyes, that he was doing everything right – but the biting cold only made me lose sensitivity. Once he'd decided I was nippy (and nipply!) enough, Iain began to warm me up again with his tongue. The minute I started groaning and whimpering, he popped the ice cube back in his mouth and froze me again! We went on like that for about an hour, until his mouth was so cold that I could hear his teeth chattering! I must have cum six or seven times, and my pussy tingled like mad from the curious mix of hot and cold sensations for ages afterwards.

So how did I pay him back? Easy. Iain loves it when I suck his cock (show me a man who doesn't'!) and I like to think I'm pretty good at it. I can't deep throat, but I don't mind the taste of spunk and quite often I love to let Iain cum down my throat while I look him straight in the eye. That usually makes his balls explode. But I wanted to get him back, right? So I walked through to the kitchen on shaking legs and came back with the absolute ultimate: crème de menthe.

If he was going to freeze my pussy, I was going to warm his dick up! I swigged a mouthful of the cool but fiery liquid and swished it around my mouth, then enveloped his circumcised cock with one gulp. The air hissed through Iain's teeth as the mixed sensations of cold liquor and hot mouth surrounded him. Then, as the booze started to warm up on his helmet, I began to slide my mouth slowly down his shaft, swallowing as much of his length as I could fit in my eager gob.

Iain doesn't have a massive cock (I've never measured it, but I reckon it's about six inches long and quite thick), but I still can't seem to get it all in my mouth. There's always that couple of inches at the base that don't make it in. Not tonight.

> **"HOT STREAMS OF CUM EXPLODED INTO MY MOUTH"**

FESSIONS

Maybe it was the booze relaxing my throat, I don't know. Whatever it was, I just found that my mouth slid further and further down his cock until my nose nestled in his pubes. I could tell Iain was impressed from the way he leant back on the propped up pillows and said, "Fuck!" He arched his back, pushing his cock and balls as far into my face as he could.

I pulled my head back, almost releasing his prick totally, and then moved my hands to either side of him on the bed so that our only physical connection was his cock firmly planted in my mouth. Iain loves it like that, and he started to gently slide his cock in and out of my mouth, moving in rhythm with me. I took as much of him as I could, puffing my cheeks out and letting him fill my mouth with his pulsing rod. His cock was the hardest I'd ever seen it; I could feel every ridge and vein as it slipped along my tongue and towards the back of my throat.

As Iain started to get a little carried away with his thrusts, I pulled away and took another small sip of the liqueur, swirling it around my mouth. Then I engulfed his shiny helmet again, and concentrated on that for a few minutes, running my tongue over its silky smooth surface and dipping my tongue into his little cock slit. Droplets of pre-cum coated my tongue, although the salty liquid stood little chance on my taste buds compared to the all-powerful crème de menthe!

Iain was starting to pant now, and I knew he was getting close. Lying on my stomach between his legs, I grasped his shaft at the base and started to suck him off properly. I slid my mouth down the length of his prick and drew it back up, brushing my firmly closed lips against the ridge of his helmet. I felt Iain's legs tremble beside me, and sped up my action. My mouth slurped on his cock, and I felt his hands holding me either side of my face, as he willed me on.

I increased my grip on his cock and started to wank him into my mouth in time to my cock sucking action. I felt Iain's cock grow in my mouth and his straining helmet banged against the back of my throat.

Within a couple of strokes, Iain announced in a strangled voice that he was cumming, and I relaxed my grip slightly to let him ejaculate.

Thick, hot streams of cum exploded into my mouth, and I cradled each spurt in my tongue as it hit, keeping it all.

The thing was, I couldn't taste any of it thanks to the liqueur, so as Iain's spasms decreased, I continued gently sucking until I'd taken his entire load into my mouth. I pulled my face away and slipped a finger into my mouth, pulling out a long, silvery string of his spunk. I wrapped it around my mouth, looked him in the eye and then knocked my head back, swallowing the lot. I am pleased to say that, for once, Iain was utterly speechless!

Crème de menthe is still our favourite but tonight we're going to try out some cool liqueur coffee on my pussy! Yum!

Bottoms Up!

Released by: Harmony Films

Starring: Cathy Heaven, Franki, Tiffany Kingston, Rebecca More, Angell Summers

BEST BITS: From prison officer Angell Summers (clad in an underboob corset and PVC boots) cavorting with an inmate, to red-hot Rebecca More fucking herself with a dildo chair, before a voyeur takes its place, bending her over the contraption and stretching her arse to its limits, *Bottoms Up!* is our film of the month. Blonde bombshell Cathy Heaven has been carving out a name for herself in the jizz biz as one to watch – something we could do all day! Her pouted lips were made for devouring dicks, and her curvaceous, surgically-enhance figure was made for sin. Starring in the only threeway on offer, mucky MILF Franki (*left*) appears looking glam in a fifties-style dress and sunglasses, serving her blokes drinks then expertly noshing them both off, before riding cock like there's no tomorrow. Atta girl!

WORST BITS: In Franki's scene, veteran pork swordsman Omar has his bright white socks pulled right up throughout, making them very hard to ignore.

DVD FEATURES: Photo gallery, cumshot recap, trailers.

CATHY HEAVEN LINDSEY OLSEN SAVANNAH SECRET MIRA SUNSET NATALY GOLD ERIKA BELLUCCI

Released by: Private

Starring: Cathy Heaven, Nataly Gold, Lindsey Olsen, Savannah Secret, Mira Sunshine, Erika Bellucci, Nisha, Polly Sunshine

BEST BITS: Nope, not that Omar again – this time it's the turn of bald, Italian cock-for-hire, Omar Galanti, here with his equally hairless mate Christian Clay, knobbing as many hot Euro-chicks as they can on one disc. Half of the eight actresses featured began their adult careers in 2013, and sometimes their inexperience shows, but this only adds a fresh sexual tension to the scenes. However, having been around for five years, Cathy Heaven (yes, her again), rocking a foxy brunette 'do, more than holds her own with 12-year veteran Omar, sucking and fucking her way to oblivion, then taking a big load of man-cream all over her pretty face.

WORST BITS: Although three out of the five scenes were trios – and as much as we like the sight of two girls together – the two studs didn't share a model between them!

DVD FEATURES: Just trailers. Unimpressive.

Ass Hunting In Venice

Released by: Private
Starring: Valentina Nappi, Emy Russo, Irina Bruni, Coco de Mal, Mira Sunset

BEST BITS: The casting of covergirl Valentina Nappi is the movie's strong point, and her threesome sees her enthusiastically taking two cocks in all three holes, all the while maintaining some seriously horny eye contact with the lens. Stunning Irina Bruni, too, shows off her admirable talent at handling two men at once. From a glorious blowie and a spot of spanking, to a pounding DP and finishing with anal and vaginal creampies, Irina performs it all with ease. We see big things for this girl...

WORST BITS: Some of the best plots in porn are the simplest, but unfortunately, this isn't one. Some guys go prowling around Italy, picking up 'random' women and persuading them to be photographed in a mask and little else, before shagging them senseless for the camera. The flimsy script and disjointed editing are only just saved by the sexy female cast.

BEST BITS: Seeing drop-dead gorgeous Cherry Jul being pummelled up the wrong 'un, and obviously loving it, was like having our Christmas pressies early. She may have a silly moniker, but there's nothing wrong with Lora Craft's fuckable body (*below*). Or her voracious sexual appetite. The all-natural babe looks amazing in flesh-coloured hold-ups, showing off her peachy bum, before riding her stunt-cock in reverse anal cowgirl.

WORST BITS: Only four scenes, but, because the running time is 146 minutes the flick seems overly long and drawn-out.

DVD FEATURES: Trailers. Disappointing.
